

The road to your future at IE in 5 steps

1 WHAT

- The Priority Admissions Process allows you to find out the decision of the IE Admission Committee earlier in the admissions cycle .
- Submit your online admissions application along with all the required documentation **before November 15th 2016.**

Note: Please remember that the documents required may vary between master programs, please contact your admissions advisor or check the program website.

2 WHY

- Find out the final decision on your IE admissions application in two weeks.
- Avoid being on a possible waiting list.

You will receive a final decision 2 weeks after you submit your completed application.

3 HOW

- Start your online admissions application on **www.ie.edu/app**
- Gather all your documents.
- For programs requiring an entrance exam, be aware of test dates available in your area. Taking the IE Global Admissions Test (ieGAT)? **Contact your local representative.**
- Submit your online application with all your documents attached before November 15th 2016.

4 WHEN

- Even though we work on a rolling admission basis, the Priority Admissions period will be active **from October 3rd - November 15th**

Important: Applications will still be received on a rolling basis after the deadline, however they will not qualify for the Priority Admissions call for applications.
