

WELCOME TO THE IE ALUMNI FAMILY!

Your alumni journey starts here and we are here to accompany you for life. Here are some tips to make the most of the IE Alumni Community.

Stay in Touch: IE Email

Stay connected with your lifetime [IE email account](#). Just remember that the domain changes to **@alumni.ie.edu** after graduation. This will not interfere with your e-mail correspondences, and you will continue to receive messages addressed to both domains. If you forget your username or password you can recover them following the steps in our [FAQs](#). If you don't check your alumni email account often, re-direct your email to a personal account. Go to: Settings > Forwarding and POP/IMAP.

Update your data and preferences:

Don't miss out on event invitations, networking opportunities and activities near you! Keep your personal email address, postal address, and contact phone number updated in IE Connects so Alumni can find you via the Directory. Update your communication preferences (preferred email, language etc.) in [your profile in IE Connects](#) and be sure to check "Yes" on the question **"IE Global Alumni Relations may keep me informed via email of their events and news"** to help you stay connected with the IE community.
