

Interning After Graduation?

Accelerate your career with the **Job Market Immersion Program (JMI)**

WHAT

A program that allows students who have secured an internship (from 450 up to 900 hours) to sign an internship agreement after graduation, combining practical work hours with top-notch career content in a self-paced online format.

WHEN

To all bachelor's students graduating from **Summer 2025** onwards. The deadline to apply for this program is:

- 1. Non-EU Students:** September 15th of the year of graduation, with an internship starting date between September and October 15th.
- 2. EU Students:** January 31st of the year following graduation, with an internship starting date between September of the year of graduation and February 15th of the following year.

HOW
