

Interning After Graduation?

Accelerate your career with the **Job Market Immersion Program (JMI)**

WHAT

A program that allows students who have secured an internship (from 450 up to 900 hours) to sign internship agreements after graduation, combining practical work hours with top-notch career content.

WHEN

To all master's students graduating from **December 2024** onwards. Job Market Immersion has **three intakes: January, April, and September**, which will vary based on your master's intake. Students have 15 days post-graduation to enrol if they are non-EU, and 6 months if they are EU.
