

AGENDA 25

UNIVERSITY

SUMMER PROGRAM

HUMANITIES IN ACTION

Monday 9 June – Friday 20 July

WEEK 1 — EXPLORING THE FOUNDATIONS OF HUMANITY

Mon

Foundations of Humanities

Kick off the course by exploring how the humanities provide tools for understanding and transforming the world.

Tue

Philosophy and Life Lessons

Dive into classical philosophy to uncover enduring wisdom for navigating contemporary challenges.

Wed

History and Diversity in Context

Examine historical examples of convivencia in medieval Spain and their relevance to modern issues of diversity and inclusion.

Thu

The City as a Storybook

Discover the cultural and historical narratives hidden within the streets and structures of Toledo.

Fri

Literature and Urban Identity

Explore the interplay between literature and urban life through Golden Age Spanish writers and their works.

WEEK 1 — CREATING CONNECTIONS FOR THE FUTURE

Mon

The Power of Art

Learn how art has been wielded as a political and cultural tool, with a focus on the Prado Museum and El Escorial.

Tue

Sustainability and Enlightenment Ideas

Connect Enlightenment-era views on nature and industrialization to modern sustainability and climate challenges.

Wed

Creativity and Innovation in Art

Investigate how avant-garde and contemporary art challenge conventions to inspire new ways of seeing and thinking.

Thu

Architecture and Future Visions

Explore innovative architectural approaches that reimagine how we inhabit and interact with spaces.

Fri

Humanities in Action

Wrap up the course by synthesizing insights through group presentations and reflecting on the transformative potential of the humanities.
