

Visiting Student Program

SPRING 2024

Studying at IE University is unlike anything else. We offer our students a truly international experience, with 75% of our student body coming from over 130 countries worldwide

If you're looking to meet new people and experience new cultures, all in a uniquely global learning environment, look no further. At IE University, you will make lifelong friends while expanding your network and broadening both your personal and professional horizons.

Renowned worldwide for our top-quality teaching and learning, we offer cutting-edge resources and state-of-the-art

facilities to help you excel in your degree and become the best version of yourself. You will be taught by world-class faculty and have access to top-tier career advice, equipping you with all the skills you need to shape and master your professional ambitions.

During your semester abroad, you will be able to explore your own areas of interest, studying flexible and innovative subject areas that inspire you or that

are in line with your degree. Your experience will be customized in accordance with your university's regulations.

Check out the subjects and degrees we offer here at IE University.
